

「Participating in AMTA Annual Conference & Exposition」

We will participate in the "AMTA Annual Conference & Exposition" in San Diego held from July 13th to 15th, 2010 at Town & Country Hotel.

In this Exhibition, we will show our newly-marketed hollow fiber ultrafiltration (UF) membrane module for municipal water supply and proven hollow fiber reverse osmosis (RO) membrane module which has been used for sea water desalination around the world.

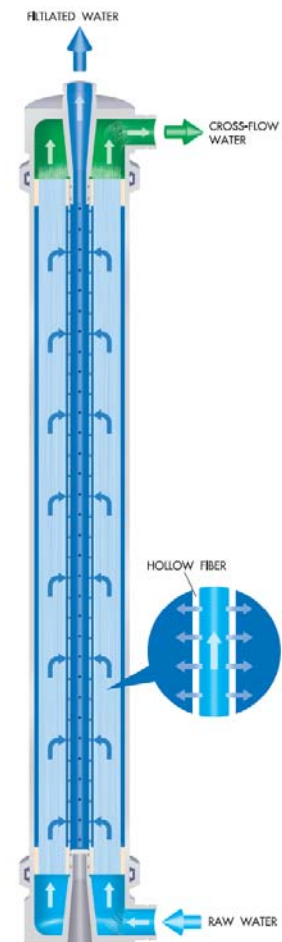

We would like to welcome you and hope you to drop in at the booth of Toyobo in the case of attendance.
