

October 17, 2019

**Participating in IDA WORLD CONGRESS 2019
on Desalination and Water Reuse & Exhibition in Dubai, United Arab Emirates**

We will participate the "IDA WORLD CONGRESS 2019 on Desalination and Water Reuse & Exhibition in Dubai, United Arab Emirates" held from October 20 to 24, 2019 at Dubai World Trade Center. In this forum, we will make a presentation about the following theme. At this Exhibition, we will set up a booth with a hollow fiber configuration reverse osmosis module that is operating for sea water desalination around the world and low pressure reverse osmosis membrane for wastewater reuse.

We would like to welcome you and hope you to drop in at the booth of Toyobo in the case of attendance.

Exhibition

Date: October 20 - 24, 2019

Location: Dubai World Trade Center, United Arab Emirates

Booth: A52, A53

Exhibits:

- Features of hollow fiber configuration reverse osmosis module [panel]
- Features of hollow fiber configuration forward osmosis module [panel]

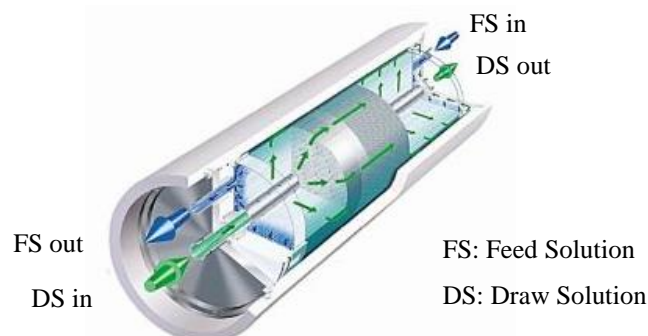

Presentation

Theme: Module model and design for maximizing performance in forward osmosis system

Date: October 23, 2019

Presenter: Session 2.11, "FO and Electrolyse"
