Toyobo Group’s integrated report “TOYOBO REPORT 2023” released

Toyobo Co., Ltd. has released its integrated report, “TOYOBO REPORT 2023 (English version),” and has posted it on its website. Under the theme of “Toyobo’s strength to realize prosperity,” the report mainly consists of Sustainable Vision 2030*¹, the company’s long-term vision for 2030, and 2025 Medium-Term Management Plan*². The report also has a special feature about TOYOBO MC Corporation*³, which was launched in April 2023, and various contents regarding the business standings of each segment, as well as mainstay products and services by touching on their CSV (creating shared value) examples. The report attempts to cover wide areas of the company’s endeavors both to help attain a prosperous society and ensure its sustainable growth.

The cover of TOYOBO REPORT 2023

In its Sustainable Vision 2030, the Toyobo Group set the goal of becoming a sustainable company that contributes to sustainability in society. The Group plans to actively utilize this report, which features a series of efforts to realize this goal, when holding dialogue with various stakeholders, including shareholders and investors, to deepen their understanding of the Group’s management policies and to sustainably enhance its corporate values.
