Toyobo Group's integrated report, "TOYOBO REPORT 2024" released

Toyobo Co., Ltd. has released its integrated report, "TOYOBO REPORT 2024," and posted it on its website. The report, which is based on Toyobo's long-term vision for 2030, "Sustainable Vision 2030"^{*1}, and "2025 Medium-term Management Plan"^{*2}, explains how Toyobo plans to achieve its goal of becoming a "group that continues to create the solutions needed by people and the earth."

Specifically, the report elaborates on its value creation process, explaining how the Group will create and enhance values through business operations from multiple perspectives, including those from the company's strengths, various assets and business models. Furthermore, it introduces its undertakings aimed at facilitating steady progress in Toyobo's corporate and business strategies by carrying various features and reports on various roundtable discussions. These are examples of improved content designed to deepen stakeholder's understanding of Toyobo's sources of strength in regaining its earning power and attaining "affluence" under the corporate philosophy of "Jun-Ri-Soku-Yu (Adhering to Reason Leads to Prosperity)."

The cover of TOYOBO REPORT 2024

Toyobo Group's goal is to become a "sustainable company that helps promote sustainability" under its "Sustainable Vision 2030." We will proactively use this report, which introduces attempts to realize that goal, during dialogues with stockholders, investors and many other stakeholders to help them deepen their understanding of the Group's various measures. We are committed to sustainably enhancing our corporate value.
