Notice of change in sector classification of the Company's stock

Toyobo Co., Ltd. (the "Company," hereinafter) hereby announces that the sector classification of the Company's stock, which is listed on the Tokyo Stock Exchange Prime Market and currently classified under "Textiles & Apparels," will be changed to "Chemicals" as per the decision of the Securities Identification Code Committee.

Consequently, the classification in the display sections in the stock columns, etc. of various newspapers will also be changed to "Chemicals." However, there will be no change to the securities code (3101).

1. Change in classification

	Present Classification	Classification After Change
Main classification	Manufacturing	Manufacturing
Sub classification	Textiles & Apparels	Chemicals

2. Reason for change

The change is due to the expansion of the Toyobo Group's net sales in chemical-related businesses such as films and functional resins, which meets the criteria for changing sector classification as set by the Securities Identification Code Committee's "Guidelines for Sector Classifications."

3. Date of change
