Toyobo selected for four consecutive years as a constituent of ESG investment indices adopted by GPIF

Toyobo Co., Ltd., has been selected for the fourth consecutive year as a constituent of five stock price indices of Japanese stocks linked to environmental, social and governance (ESG) investment that are adopted by the Government Pension Investment Fund (GPIF), one of the world's largest pension funds. ^{*1}

The five indices are: FTSE JPX Blossom Japan Index; FTSE JPX Blossom Japan Sector Relative Index; MSCI Nihonkabu ESG Select Leaders Index; MSCI Japan Empowering Women Index (WIN); and S&P/JPX Carbon Efficient Index.

Under its corporate philosophy “*Jun-Ri-Soku-Yu* (Adhering to reason leads to prosperity),” Toyobo aims to be a group that will “continue to create the solutions needed by people and the earth with our materials and science.” As outlined in its long-term vision “Sustainable Vision 2030^{*2}”, Toyobo aims to realize both a prosperous society and sustainable corporate growth. Through its business activities, the Toyobo Group will continue to help address social issues and strive to enhance its corporate value over the medium - to long term by increasing both economic and social value.
